This Month's Featured Product:

Hallmark has been marketing different collectible lines for years, including ornaments, Merry Miniatures, and Kiddie Car Classics (KCC). The KCC product line was introduced in 1992, and continued releasing until 2001. There are several different lines of KCC, including the Kiddie Car Classics, Sidewalk Cruisers Collection, Kiddie Car Corner Collection, and the Mini Kiddie Car Collection. KCC have also been issued in different kinds of "editions," such as Limited and Numbered, and in "series," like the Winner's Circle.

While our store does not carry all of the KCC line, we do offer many regular KCC, Numbered cars, Limited Edition cars, Luxury Limited Edition cars, and some of the Don Palmiter Custom Collection. We also have complete sets, such as the Corner

Drive In, Fire Station #1, and KC's Garage. We also have a few KCC brochures available.

Our KCC items come in their original boxes and with original paperwork unless otherwise noted. They are in great condition—all items come from a household that is currently downsizing and needs to make room. Add to, or begin your KCC collection today!
